Sanitation charges are billed through the property tax bill once the initial service is set up. Charges are added to the tax billing process through May of each calendar year.

Once the tax billing process has been closed for the tax bill year an individual applying for service pays for the current months remaining in the calendar year and the next full year.

If, Sanitation charges have not been previously setup for the parcel of property then the clerk taking the payment and instituting service will bill for the current and next year's service

Sanitation charges will be charged on your current year property tax bill for the following year's sanitation service and each year thereafter.

*Please return completed form and a check made payable to Effingham County to the Effingham County Administrative Complex located at 804 S. Laurel St. Springfield, GA 31329
