

**From: Sheriff McDuffie**

**Reason: Man Arrested After Meth Lab Discovered**

**Date: December 4, 2009**

**A man is behind bars today after Effingham County Sheriff's deputies located a methamphetamine lab at his residence late Thursday evening. The Drug Enforcement Unit received information that methamphetamine was being cooked at a residence in the 1700 block of Rincon Stillwell Road.**

**Investigators located a methamphetamine lab, methamphetamine, as well as several other items used to make additional labs such as anhydrous ammonia.**

**Deputies arrested David Bodiford, 37, of Rincon at the residence. Bodiford has been arrested and charged with manufacturing methamphetamine and unlawful possession of pseudoephedrine.**

**Bodiford is currently being held in the Effingham County Jail. Additional arrests are pending.**
